To Whom It May Concern:

I, Jorge Quintas, am writing this letter in support of my guest, William Pickrum visa application. I am on an F-1 visa at Bradley University, my school ID is 210005 and I will be receiving a degree in Accounting. William Pickrum is my brother and is planning to visit me at Bradley University for my graduation ceremony on 04/04/2020. Enclosed with this letter is a printout showing that I've applied for graduation and the event date.

I would be honored to have my brother visit and request your consideration in the visa authorization. The approval of the visa application is greatly appreciated.

Sincerely,
